PARENTAL PERMISSION FORM

As part of the application process, prospective underage volunteers are required to sign a Volunteer Service Agreement, and have it co-signed by their legal guardian, AND have a parental permission form signed by the same guardian.

The California Department of Fish and Game reserves the right to accept or deny any underage volunteer's application based on:

- 1) program/operational needs,
- 2) the applicant's maturity and knowledge,
- 3) the applicant's demonstrated interest in Department programs, and
- 4) the availability of adult supervision.

Volunteers under the age of 18 must be assigned an adult supervisor. Arrangements for this supervision must be approved by the California Department of Fish and Game.

I have read and agree to the requirements stated above for under-age volunteers.
