

Upper Newport Bay Food Chain Fortune-Teller

1. Use the internet to research pictures of the animals, their prey, and their predators!
2. Draw each animal in the colored-in, corner squares.
3. In the four triangles with numbers 1-4, draw a **predator** associated with the corner square animal that it is closest to.
4. In the four triangles with numbers 5-8, draw a **prey** associated with the corner square animal that it is closest to.
5. In the center triangles draw the animal's habitat.
6. Cut out the big square and fold your Fortune-Teller!
